Whereabouts is this taking place?

I've been to the activity days and often take my son to Nunner Wood Countryside Park of a weekend - he loves dounting the markers going around the trail. Also the wooden statues (snake, butterfly, hedgehog family) are lovely.

Regards,

Matthew

Unfortunately I don't seem to be able to get the exact location for the meet as the Worcs Wildlife Trust website only gives the information already posted...

I can only suggest that you contact them direct to find out the full details. Sorry I couldn't be of further help. :)
