Support the WRE!!!

Posted by Richard - 2008/03/02 01:33

The Worcestershire Resource Exchange (or WRE) is a "Scrapstore" and is the place to go for a wide range of materials and inspiration for all your creative work. We take non-hazardous scrap from businesses and pass it on to our members, so reducing landfill!!!

New sources of scrap material always welcome.

For More info visit http://www.wre.uk.com

Cheers All! :)
